Dear Folks,

Well, I received beaucoups letters today and I had a good time reading them.

now the first thing I want to ask you is; Where do those cousins live?

If I get a chance and I know where they live I will go to see them!

I will get Mr. Morgan's letter but I don't think it will get here for quite a while. Tell him I wish he were here and I were there. But I am having a good time right now. As soon as I finish this letter I am

going to the beach and
swim for a few hours.
Boy, you ought to see
these french women in
sarongs.

I'm learning how to
speak french all over again
and I'm getting along fine
now. Once in a while
I get stuck on a word or
two but usually I get along
pretty well.

Right now I'm listening
to the news over my
radio and he is telling
us about the landings
at Naples.

Bib is getting a good
break learning about radio

because when it comes
time for him to go he
will be put into the
signal corps which is
a good racket. He better
not try to enlist, enter,
because that would be
very bad.

That check for
\$20.50 was out of my money
and you will get one check
a month.

I wish I could have
seen Joe Gardina before
I left.

I got Mrs. Miller's
letter and I was certainly
surprised to get it. I guess
they all got the luck but
me. I'm glad somebody from

Mount Xisco got a break.
Tell Mr. Morgan
I'll answer his letter
if I can find any time
at all.

Until a little
later then,
Love & Kisses,
P

P.S. Kiss Rosemarie for me.
