Dear Folks,

I am still well happy and safe and I hope you all are the same.

I received a couple of letters from you all yesterday including Joe's letter. I was glad to hear from him.

I haven't received any packages or letters from Mr. Morgan yet but I suppose I will sooner or later.

I'm happy to hear that Bib is doing something worth while. He'd get a good job if he were in the army now and if his turn ever does come he better get a good job.

I haven't received any letters from Vince yet although I wrote to him a while ago. I expect I'll get his letters in a little while though.

So Tett's a little soldier boy  
now, is he? He ought to enjoy  
that life. I'll bet you he got in the  
air caps, too.

That's about the end of  
this communique so I'll sign off  
until I get some more news.

Love & Hisses,  
B
