Dear folks,

I am well, happy, and safe and I hope you all are the same.

I received a letter from Bib today and he mentioned something about me asking for you to send me some reading material. Well, if you get this before you receive the air mail letter in which I asked for a package, or before you mail the package and only then, send me some interesting books of any sort. Don't make a special package of it because it takes too long to get here.

I also received a package today from Aunt Mary. It contained a fruit cake or somekind of cake and toll-house cookies. I had finished things. I don't care if I never get another package now.

That's all, folks.
Love + kisses
Frankie
