Dear Toke,

I am well, happy and safe and I hope you all are the same.

In my last letter I told you the picture you sent me was not me, but I was in the movies about two months ago and if you saw ^{it} you wouldn't have missed seeing me. I was right in front and it was a movie of a U. S. O. show with Ella Logan.

I haven't received the other packages yet but I am expecting them any day now.

I hate about all I have for now so I'll close. Give my love to all,
Love
F. Mauro
